

Askari Safari

Tales of Zimbabwe

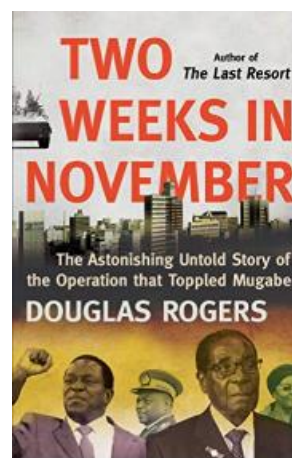

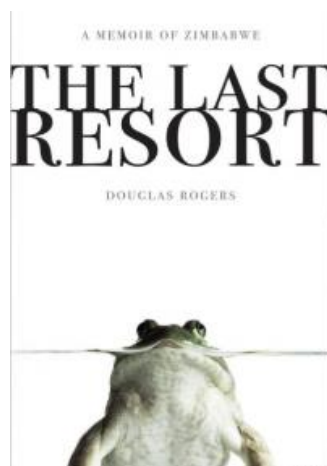

In person stories from world famous Zimbabwean author Douglas Rogers.

Ever read a really superb book and thought 'I would love to hang out with this guy, he seems a really cool and interesting person?'

Have you read the critically acclaimed novels 'The Last Resort' or 'Two Weeks in November' both by Douglas Rogers? If not, pick them up they are a great insight into the Zimbabwean evolution over the past 20 years, Doug writes with a wit and dry sense of humor that is typically Zimbabwean and the Two weeks is a fast paced story of the recent change over of power in Zimbabwe, the infamous coup that was not a coup!

Askari will be hosting an annual safari with Douglas starting in 2021. This is your chance to spend time with Doug in his homeland and hear his life tales and the real stories behind the stories.

The safari will take place in Victoria Falls and Hwange National Park, so aside from being regaled by Douglas you will get to experience one of the Seven Wonders of the World as well as visit both Zimbabwe's famous Hwange National Park.
